

## POST-PREGNANCY RECOVERY PACKAGE

Natural healing and recovery for total health, wellbeing and beauty after pregnancy. Includes Traditional Thai Doctor consultation to personalize the treatments for you.

- ✓ Repositions the uterus back into its proper position
- ✓ Improves the circulation of the body which helps to increase oxygen to the organs and stimulate the body's natural detoxification process
- ✓ Reduces bloating and swelling of abdomen
- ✓ Reduces post partum chills
- ✓ Strengthens abdominal muscles and ligaments and reduce stress urinary incontinence.
- ✓ Promoted adequate lactation
- ✓ Reduces skin and complexion discoloration
- ✓ Helps to prevent post partum depression
